7. Ram Chandra is now " Monarch " of the Ghadar Party. On his return from the Stockton meeting he called together the staff of the paper here, about twelve men, and told them they had to sign a document authorizing him act absolutely as he pleased. All but four signed, these were Nella Singh, Nidhan Singh, Gordat Singh, another, name unknown. As they refused to sign, he dismissed them from his employ.

Lala Rajput Rai Was consulted about this, and disapproved of their being treated harshly, but he is to talk to them and point out their error of their ways, and endeavor to keep them friendly, as he considers it would be undesirable to allow them to bear any resentment and carry on an unfriendly propaganda, as they probably would unless pacified .

Ram Chandra Has all official correspondence addressed P. Ramsay, C/O Mr. Lewis, 1901 Baker Street, San Francisco, where he used to live at one time. His actual private address is 4136 Twentey Fourth Street, San Francisco, His wife expects to be confined shortly.

The next Ghadar meeting Is to be held at Jersey Island, California, on the first Sunday in February.

8. S.S. Sarna, Whose real name Sujan Singh , who arrived in San Francisco with Lala Rajput Rai, has been allowed to land by the immigration authorities. He is now at Stockton making propaganda. He is a native of Rawel-Pindi. He is no longer as sick having had his hair cut off when he was in Japan.

With reference to the information given by Bagai, Paragraph 3:- This information is in accordance with what I was told by the Manager of the Hong-Kong and Shanghai Banking Corporation, namely, that he had been asked by the Postal Telegraph Company to cable \$300 to J. Amar, c/o Deutsche Asiatic Bank, Tientsin, China.

To-day, January 24th, the Postal Telegraph Company advised the Bank that the payee had cabled that he had not received the money and asked for a refund which the Bank refused to give. I informed the Manager who J. Amar was, in order that he might be on his guard.
